Hill-Rom is a leading global medical technology company whose products, services and more than 10,000 employees worldwide help people get better care inside and outside the hospital. Our innovations in five core areas – **Advancing Mobility, Wound Care and Prevention, Patient Monitoring and Diagnostics, Surgical Safety and Efficiency, and Respiratory Health** – improve clinical and economic outcomes and ensure caregivers in more than 100 countries have the products they need to protect patients, speed up recoveries and manage conditions. **Every day, around the world, we enhance outcomes for patients and their caregivers.** Learn more at [hill-rom.com](http://hill-rom.com).

Hill-Rom is committed to the concept that mobilising people early and supporting their independence, improves life - in the hospital and at home.

Due to variations in printing, colours as represented may vary slightly from actual product.

This document is destined solely for use by healthcare professionals. Devices shown in this brochure are intended for use with patients in departments of healthcare establishments. Hill-Rom recommends you carefully read the detailed instructions for safe and proper use included in the documents accompanying the devices. The personnel of the healthcare establishments are responsible for the proper use and maintenance of these devices.

Hill-Rom reserves the right to make changes without notice in design, specifications and models. The only warranty Hill-Rom makes is the express written warranty extended on the sale or rental of its products.
