**Hill-Rom**

Enhancing Outcomes for Patients and Their Caregivers.™

## Who Can Participate?

Acute care, long-term care, long-term acute care, rehabilitation, and home care organizations around the world volunteer to participate in the data collection process.

## What Are The Costs?

The Hill-Rom® Complete Pressure Ulcer Reporting Service is offered at no cost to you. Just schedule your staff to conduct the survey and send us back the data for a complete analysis.

## When is the 2012 survey?

The survey is conducted annually during a 3 day period. There is a flexible data collection window—choose the 24 hour period that best fits your needs. The survey dates for 2012 are February 21-23.

## Determine your goals.

How do you compare to national pressure ulcer benchmarks?

Are pressure ulcer prevention programs consistently followed at your facility?

When was the last time pressure ulcer activity was measured at your facility?

Would a complete pressure ulcer reporting solution help your facility meet its goals?

\* \$500 Late Registration Fee

# 2012 Hill-Rom® International Pressure Ulcer Prevalence Survey

## What Does It Include?

- Organization prevalence
- Overall international prevalence benchmarks
- Prevalence by department
- Multiple comparisons and benchmarks including:
  - Patient characteristics
  - Body mass index (BMI)
  - Protocol compliance
  - Wound risk
  - Census size/type
  - Teaching status
  - Geographic location
  - Patient safety metrics
- Timely independent NDNQI spreadsheet

## What About NDNQI?

Let Hill-Rom assist you with NDNQI. The IPUP survey includes all pressure ulcer prevalence data collection points required for submitting your organization results.

## How Do You Get Your Report?

After completing the survey, Hill-Rom will send you an electronic file of your results.
